

*The Anglican Care Centre began as a dream to establish a ministry of practical Christian love in action to people in our community, especially those people who are disadvantaged.*

*The Trust was established in March 1994 by the Whangarei Anglican Church.*

*Our services respond to people in need by Counselling, Budgeting Advice, Advocacy, Crisis help and Support.*

*Our code of ethics protects any client by ensuring confidentiality, competence and respect for individual differences and values.*

*All Counsellors have appropriate training and are affiliated to, or members of NZAC or NZCCA (the professional counselling bodies).*

*We are affiliated to NZ Federation of Family Budgeting Services Inc and all our Budget Advisers are trained and certificated to the Federation standard of competency.*

*In January 2010 we appointed a Seniors Community Support person to address the specific needs of supporting seniors living at home.*

*We rely on donations, grants, bequests and receive some contract funding from MSD.*

*Donations to the Whangarei Anglican Care Trust are tax deductible. Your donation helps maintain this community service.*
