

## Marion Moon

I worked in banking after I left school, until I came to NZ from UK in 1973.

My husband and I raised 4 Children in Kerikeri before moving to Whangarei in 2003.

I am part of the Christ Church Anglican congregation and worked at the Care Centre for 4 years as a volunteer budget adviser.

I took on the role of budgeting coordinator in 2010 and retired in 2019. I thoroughly enjoyed the work, the variety of challenges people arrived with and helping them to make changes to right their situation.

I am pleased now to be the Christ Church representative on the board.

My hobbies include patchwork and gardening.
