I have been a friend of Anglican Care Centre since 2018. My choice to become a friend came from my deep admiration for the service the Anglican Care Centre provide to the community. I am in awe of the care centre's compassion and empathy and their relentless quest to provide for those in need.

My husband and I have successfully owned and managed a sports equipment and uniform business since 2002. We have recently sold our business to pursue a change of pace and enable us to focus on and spend more time with our children, George (14) and Lyla (13).

I am grateful to have been nominated and accepted as a board member of the trust. Anglican Care Centre is such an important service in our community, and I look forward to bearing witness to its growth and success.
